

## ***SURGICAL ENDOSCOPY ASIAN CHAPTER PROGRAM OCTOBER 21 - 24, 2026***

### **Course Highlights**

- ✓ Live Cases from the OR
- ✓ Hands-on Lab Training with Expert Faculty
- ✓ Structured Lectures with Q&A
- ✓ Interactive Clinical Case Discussions
- ✓ Live Session from Rome Gemelli Hospital

This course provides a structured, immersive learning experience from basic to advanced flexible endoscopy techniques, combining live cases, hands-on lab training, expert-led lectures, and interactive discussions with KOLs.

| 12:35 – 12:55 | Endoscopic Management of Complications: Interactive Clinical Case Discussion | <b>Chair</b><br>All faculty |
|---------------|------------------------------------------------------------------------------|-----------------------------|

**13:00-14:00 Lunch**

#### AFTERNOON SESSION

#### 2F MEI- CHI CONFERENCE ROOM

##### **Advanced Techniques in Endoscopy**

|               |                                                           |                         |
|---------------|-----------------------------------------------------------|-------------------------|
| 14:00– 14:20  | Full Thickness Resection Methods                          |                         |
| 14:20 – 14:40 | Endo-laparoscopic Hybrid Approaches<br>for Gastric Tumors |                         |
| 14:40– 15:00  | Third Space Endoscopy                                     |                         |
| 15:00– 15:20  | Interactive Clinical Case                                 | Discussion with Faculty |

**15:20-15:40 Break**

|              |                                                                                                  |
|--------------|--------------------------------------------------------------------------------------------------|
| 15:40– 16:00 | 08:40- 09:00 Italy (UTC/GMT +1)<br>Regenerative Therapy in Endoscopy:<br>Could Fat Be the Answer |
|--------------|--------------------------------------------------------------------------------------------------|

|       |                                                             |
|-------|-------------------------------------------------------------|
| 16:10 | End of Day 2                                                |
| 16:15 | Faculty & Participant Shuttlebus from IRCAD-Taiwan to Hotel |
| 19:00 | Congress Dinner                                             |

## DAY 3 FRIDAY, OCTOBER 23TH

### Endoscopic Resection and POEM Techniques- Endobariatrics

#### MORNING SESSION

Chair

#### 1F AUDITORIUM

08:30 – 08:50 Managing weight regain and dumping after GBP: APC, endoscopic sutures or both?

09:00- 10:00 Live or Pre-Recorded Demonstrations

10:00 – 10:30 **Break**

#### 3F LABORATORY

10:30 – 12:30 Hands-on Training Session

All faculties

12: 30- 14 :00 **Lunch**

#### 2F MEI- CHI CONFERENCE ROOM

#### AFTERNOON SESSION

Chair

14:05 – 14:25 Basics of Endoscopic Resection: Basic Principles of EMR, ESD

14:25- 14:45 POEM (Peroral Endoscopic Myotomy)

14:45 – 15:05 Management of ESD Complications

15: 05- 15:25 Endoscopic gastric plication: devices, techniques and current results

15:25- 15:45 Addressing weight regain after sleeve gastrectomy: the potential role of endosuturing

15:50- 16:10 13:20-13:40 India (UTC/GMT +5.5)

Anti-Obesity Medications: Implications for surgery and Endoscopic Treatments

16:10- 16:30 13:40-14.00 India (UTC/GMT +5.5)

Combination therapy: the answer to a chronic recurrent illness?

16:30 –17:00 **Break**

17:00 – 17:20 10:00-10:20 Germany (UTC/GMT +1)

Primary Endoscopic Bariatric Procedures: Patient Selection and Indications

17:30 End of Day 3

17:40 Faculty & Participant Shuttlebus from IRCAD-Taiwan to Hotel

## DAY 4 SATURDAY, OCTOBER 24TH

### Hands-on Training & Course Conclusion

#### MORNING SESSION- 3F LABORATORY

#### 3F LABORATORY

|                |                                                                                    |               |
|----------------|------------------------------------------------------------------------------------|---------------|
|                |                                                                                    | <b>Chair</b>  |
| 09:30 – 12:30  | Hands-on Training Session                                                          | All faculties |
| <b>12:30</b>   | <b>Course Conclusion &amp; Certificate Distribution</b>                            |               |
| 12:30 – 13 :30 | <b>Lunch</b>                                                                       |               |
| 13:30          | Participant & Faculty Shuttlebus from IRCAD-Taiwan to Hotel & Taichung HSR Station |               |

#### Hands-on Lab Sessions (Rotations included)

- Dry Lab Training (Simulator-Based)
- Endoscopic Skill Training & Testing
- Ex-Vivo Models
- Bleeding Control Techniques
- Dilatation Procedures
- Foreign Body Retrieval
- Polypectomy
- Upper Endoscopy Navigation
- Colonoscopy Techniques
- Management of GI Complications (OTSC, Pig Tail Placement)
- Endoscopic mucosal resection (EMR) /Endoscopic Submucosal Dissection (ESD) Procedures
- Endoscopic sleeve gastropasty (ESG)
- The Primary Obesity Surgery Endoluminal (POSE)
