

# PROGRAM

## Da Vinci Robotic Gastric Surgery Mastery Workshop: Precision in Practice

達文西胃癌手術進階課程

April 16-17, 2026

### **PRESIDENT**

**Jacques  
MARESCAUX**

*President, IRCAD/EITS,  
University of Strasbourg, France*

### **CHAIRMAN**

**黃明和**

**Min-Ho HUANG**  
*President, IRCAD Taiwan/AITS,  
Show Chwan Memorial Hospital,  
Changhua, Taiwan*

### **DIRECTOR**

**黃士維**

**Wayne Shih-Wei HUANG**  
*Dean, IRCAD Taiwan/AITS,  
Show Chwan Memorial Hospital,  
Changhua, Taiwan*

## **INVITED FACULTY**

---

### **OBJECTIVES**

---

- To cover a broad spectrum of surgical procedures in gastric cancer surgery
- To provide indications for surgical treatment and discuss operative complications
- To allow a real-time discussion between the operators and the trainee surgeons
- To provide hands-on sessions to improve skills in laparoscopic surgery through the practice on live tissue under expert tutorial
- To describe postoperative clinical results and practical applications of evidence-based clinical medicine

### **EDUCATIONAL METHODS**

---

- To provide the basic knowledge required for clinical applications
- Interactive theoretical and video sessions between faculty & course participants
- Live & pre-recorded operative demonstrations

# Da Vinci Robotic Gastric Surgery Mastery Workshop:

## Precision in Practice

### 達文西胃癌手術進階課程

### April 16-17, 2026

| Time        | Topic                                                                                                                                                                                                                                               | Speaker       |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| 08:50       | Registration                                                                                                                                                                                                                                        |               |
| 09:00-09:10 | Opening Remarks & Welcoming of Participants                                                                                                                                                                                                         | All Faculties |
| 09:10-10:10 | State-of-the-Art for Robotic Gastric Surgery <ul style="list-style-type: none"> <li>➤ Distal Gastrectomy</li> <li>➤ Total Gastrectomy</li> <li>➤ Lymph Node Dissection</li> <li>➤ Tips and Tricks for Anastomosis</li> </ul>                        |               |
| 10:10-10:40 | Coffee Break                                                                                                                                                                                                                                        |               |
| 10:40-12:40 | <b>Hands-on Session on Cadaver</b> <ul style="list-style-type: none"> <li>➤ Distal gastrectomy</li> <li>➤ LN Dissection</li> <li>➤ Intra-corporeal anastomosis : B.I, B. II, Roux-en-Y</li> <li>➤ Total gastrectomy, E-J</li> </ul>                 | All Faculties |
| 12:40-13:40 | Group Photo & Lunch                                                                                                                                                                                                                                 |               |
| 13:40-17:40 | <b>Continuation of Hands-on Session on Cadaver</b> <ul style="list-style-type: none"> <li>➤ Distal gastrectomy</li> <li>➤ LN Dissection</li> <li>➤ Intra-corporeal anastomosis : B.I, B. II, Roux-en-Y</li> <li>➤ Total gastrectomy, E-J</li> </ul> | All Faculties |
| 17:40-17:50 | Closing: Evaluation of the Day & Delivery of Certificate of Attendance                                                                                                                                                                              |               |

**Venue: IRCAD Taiwan**

**Lectures in 2F 濬源會議室 Junn-Yuan Conference Room/ Lab in 3F 實驗室 VIP & OR1**  
**The course will be using Da Vinci XI system**
